

# Natureal

Nature's Pet Shield

## What is Natureal?

Natureal is a 100% plant-based, human-grade antimicrobial solution powered by Singapore's innovative **ViKang™** technology. It provides a safe, eco-friendly way to protect your pets from bacteria, viruses, fungi, and other harmful agents.

# 100% plant-based

**PATENTED TECHNOLOGY.**  
Synthesized from  
upcycled cashew extract

## How do Natureal benefits my pets?

- Made from food waste; 100% natural & free from chemicals and alcohol
- Naturally kills 99.9% of bacteria, viruses, fungi & other harmful agents
- Long-lasting protection

## Is Natureal safe for pets?

Natureal is 100% safe for both pets and humans! Formulated with **ViKang™**, a certified natural antimicrobial ingredient made from food waste.

- Human-grade
- Non-toxic
- Chemical-free & Alcohol-free

## How does Natureal work?

Natureal embeds the power of **ViKang™**, an antimicrobial ingredient made from food waste. **It eliminates bacteria, viruses, and fungi**, while also **promoting wound healing** - giving your pet **safe, long-lasting protection**.
